

THE BOULDER

Dear Randy,
Having you as a teacher is two of my classes had made school much more enjoyable. I guess I got on your nerves at times - talking and chewing gum. I talk too much anyway. I only hope I like college and teaching as much as you have. Best wishes.

Nancy.

Dear Randy,
Best of luck

Hi Lady,
This will have to be short and to the point, because I'm running out of things to say. In fact I'm running out of ink, too. Don't forget all of the fun we've had this year with the class play and getting stuck. I hope you don't have to push a car out next year, too. Don't be too hard on your senior English (if you're here).

Loads of luck,
Nan

Dear Randy,
Best to you in everything and hope you succeed in everything you do in life. (That includes catching a man.) Remember the crazy times we had in the meat wagon and also the Hotrodders Club. Won't see you here next year but see you at our reunion in 67.

A Friend,
Chris

P.S. Have a nice time this summer ~~change~~.

Hi Randy!
You might not me scribble a few words in this Boulder book so I won't say "too much". We in your English have enjoyed our selves this year and we may have even learned something of the English writers. Hope you don't have too much trouble with next years classes.
Lots of luck,
a pupil,
Keith "Albut"

HEY LADY,
BEST OF LUCK IN YOUR TEACHING CAREER. WHEN YOU FINALLY GET YOUR PENSION, & I WILL TAKE CARE OF YOU. WE'LL PROBABLY OWN OUR OWN HOSPITAL BY THEN. WHAT WILL YOU DO THE REST. I'LL TRY TO WRITE LETTER NEXT. I WILL KNOW I WILL MARY ELEN

Dear Students,

Pardon us while we heave a celestial sigh and straighten our halos.

In this day of rock 'n roll pins and luminous limousines, we bring you a little of the past with this periodical treasure chest filled with a vast store of lasting memories.

Our stellar publication may never be framed and placed in the archives of the Milky Way. However, if in the years to come when you glance through it and feel that you are floating on the cloud with the silver lining, we will have reached our Boulder goal for the school year of 56-57.

Your recording angels,

The Staff

Words alone cannot express the high esteem we feel for our advisor and friend, Mrs. O'Connor. Through her charms and friendship she has entered into the hearts of many of the Ontonagon High School students.

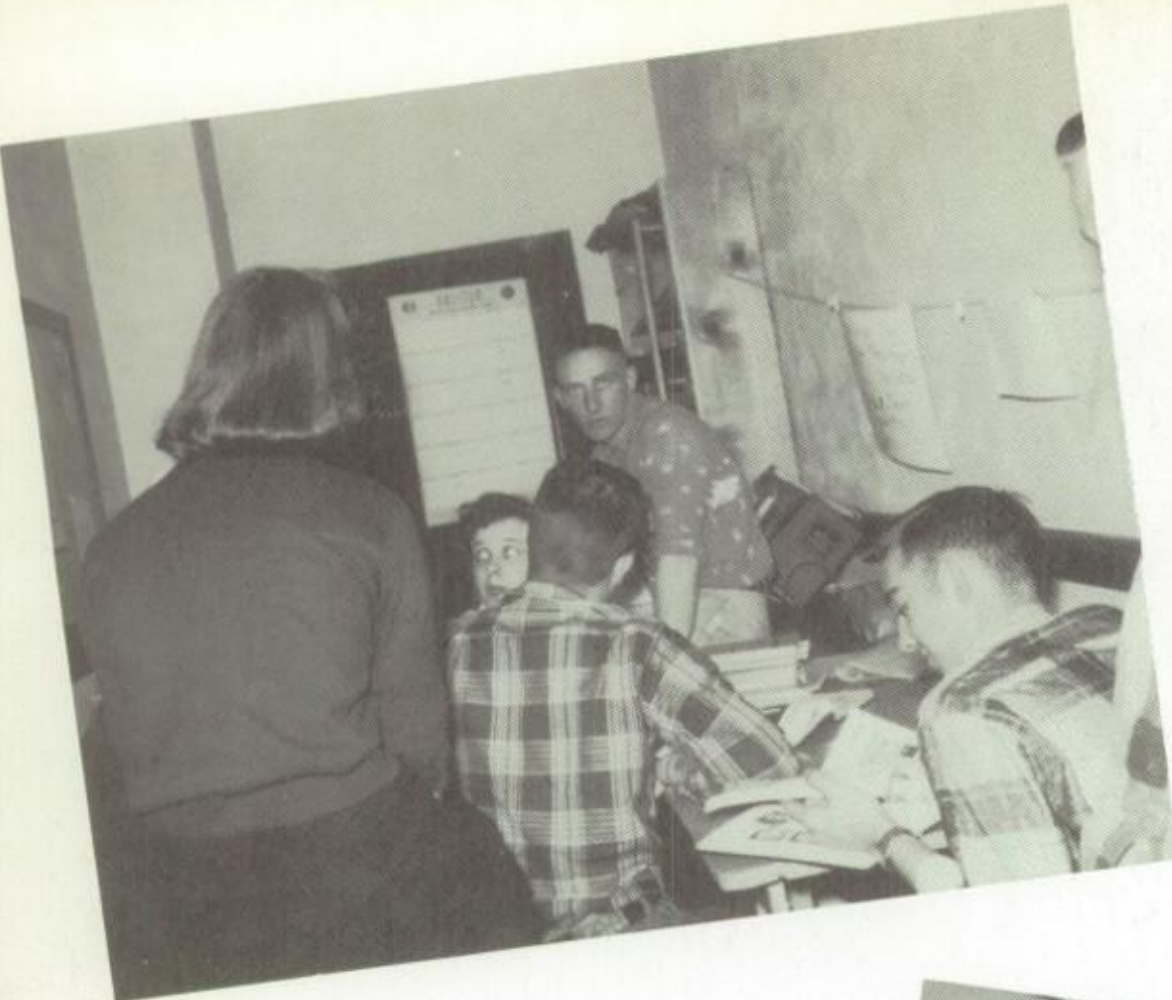

Mrs. O'Connor is a Graduate of Northern Michigan College. She has a Bachelor of Science Degree with a major in English and minors in history and music. She has taught in Iron Mountain and Rogers City, but started here in 1940. Her classes are Junior High history and seventh, eighth and ninth grade English.

This is the third year for Mrs. O'Connor as faculty advisor for the Boulder. Through her hard and earnest efforts we have been producing better and better yearbooks each year.

To Mrs. O'Connor, the one who has given long devoted service, the yearbook staff proudly dedicates the 1957 Boulder as a small token of appreciation and gratitude.

 I'm sorry about that

 fun we had with the class play and
 the times we rode with Mr. Ralph going

 I hope you like it

Dear Miss Randleman,

I'll never, never, forget you or your class, and all the fun I've had. Especially the class play & the time we had put into that, but all in all it was a success and you got your Pink Elephant. I know the spelling isn't too good, but at least you'll get the idea. Don't forget our "Hot Rodders Club" either, even if we don't have our meetings any more. Well since this is my last year it does seem odd that I'm leaving and won't see you dear teachers, hardly, any more, but I guess that's the way the ball bounces. Well I should close now but don't forget me or Jerry, but how could you? Huh!? Since I'm taking up more space then I should I will close, but first I want to wish you all the luck in the world, as you deserve it, I hope all your dreams come true too. mmm,
